

TOP 25* PERFORMING UNIVERSITIES IN STUDENT MOBILITY

By U-Multirank

In this list, we present the U-Multirank 2018 top performers on the indicator 'student mobility'. Having an international student body and offering students the opportunity to study part of their degree programme abroad is an indication of the international orientation of a university. In order to provide a full picture of mobility and international exchange U-Multirank takes into account both incoming and outgoing mobility.

** Due to a tie the list includes 26 institutions*
