

# Information on Admission

## Smart Products & Solutions (University of applied sciences FH Kufstein Tirol)

### Study programme code 0809

#### Introduction

According to § 4 para. 4 FHStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognized domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

#### Definition of „relevant“

Subjects relevant to this master's program are bachelor's degree programs or equivalent post-secondary education degrees in the field of engineering and economics (following ISCED 2013, Fields of Education and Training 06/071/072), a total of at least 30 ECTS is required. In addition, contents in the field of economics, such as cost accounting, marketing, business management and management, should have been treated in a total amount of at least 10 ECTS in such educational qualifications.<sup>1</sup>

#### Common transfers

Students often transfer to a master degree programme after having completed one of the following bachelor or university of applied sciences bachelor degree programmes:

---

<sup>1</sup> In addition, any qualitative admission requirements defined in the curriculum must be observed

Bachelor degree programmes/University of applied sciences bachelor degree programmes	Higher education institution	Admission <sup>2</sup>
Energy Business (EWW)	University of applied sciences FH Kufstein Tirol	with conditions*
Web Business & Technology (WEB)	University of applied sciences FH Kufstein Tirol	without conditions
Industrial Engineering & Management (WING)	University of applied sciences FH Kufstein Tirol	With conditions*

**\*Conditions**

	WEB	EWW	WING
Basics of Electrical Engineering & Electronics	X	X	(X)
Basics of Engineering Design	X	X	(X)
Basics of Information Technology	(X)	X	(X)

Legend: "X" stands for "Recommended to acquire basic skills", "(X)" stands for "Recommended for knowledge refreshment"

Applicants who have completed a degree in a different field to those listed but has professional experience in a relevant field may also be considered.

The teaching and examination languages at the University of Applied Sciences Kufstein Tirol are German and English for all courses. Thus, for foreign students in the subject of German (non German-speaking foreign countries) to provide evidence. Responsibility for checking that applicants fulfil the admission requirements lies solely with the Director of Studies of the program Smart Products & Solutions.

Please note that only a limited number of study places is available for the master degree programme. Therefore, the fulfilment of the educational requirement for admission does not constitute a claim to a study place.

According to § 11 FHStG, an admission procedure shall be conducted at least in those cases where the number of applicants for a degree programme exceeds the number of available places.

The programme director shall be responsible for designing the admission procedure.

<sup>2</sup> Conditions required in order to achieve equivalence as defined by § 4 Abs 4 FHStG. Due to different, individual knowledge backgrounds, preparatory bridging courses are planned in order to ensure the harmonization/approximation of different educational biographies. These bridging courses in the areas of fundamentals of electrical engineering & electronics, fundamentals of design theory and fundamentals of information technology are offered immediately before the start of the semester. Participation incl. Examinations at these bridging courses can be given by the study program management as a recommendation or as a condition for admission.

Please **Prof. (FH) DI Dr. Martin Adam (Director of Studies)** for any questions regarding admission.

Please note that this fact sheet will not be legally binding as regards admission.
