

Information on Admission

Corporate Restructuring (University of applied sciences FH Kufstein Tirol) Study programme code 0350

Introduction

According to § 4 para. 4 FHStG, the educational requirement for admission to a university of applied sciences master degree programme shall be the completion of a subject-relevant university of applied sciences bachelor degree programme or the completion of an equivalent degree programme at a recognized domestic or foreign post-secondary educational institution. In the case that equivalence has basically been established and only certain supplementary qualifications are required for full equivalence, the programme director shall be entitled to tie the determination of equivalence to examinations to be taken during the master degree programme.

Definition of „relevant“

Bachelor degree programmes that cover the core subject areas of accounting, strategic controlling, corporate governance and value added processes as well as insolvency, corporate and employment law shall be regarded as a relevant bachelor degree programme.

The admission to this master degree programme shall also be made possible following the successful completion of any other relevant bachelor or university of applied sciences bachelor degree programme.
